Commencement Seating and Guest Tickets

- Q: Is there assigned seating for graduates?
- A: Graduates are seated in sections based on degree level and college. We strongly advise for you to arrive with friends and fellow classmates within your degree program/college if you would like to sit together.
- Q: When can I reserve guest tickets for the commencement ceremony?
- A: Registered graduates will receive an email three weeks after the registration deadline with instructions on how to reserve guest tickets through the GCU Arena box office ticketing system. Please refer to your registration confirmation email for more details.
- Q: When will I receive my reserved guest tickets?
- A: When reserving guest tickets through the GCU Arena box office ticketing system, your tickets will be sent via email in either mobile or print-at-home format (depending on the delivery method selected when reserving).
- Q: As a graduate candidate, do I need a ticket?
- A: No, you will not need a ticket. Tickets are for guests attending the ceremony. Guests will not be permitted into the arena without a ticket.
- Q: Is there an age limit for tickets?
- A: Guests three years and younger do not need a ticket; however they will not be counted as a seated "ticket," as they must be seated on the lap of a ticketed guest.
- Q: How many guest tickets can I reserve?
- A: Registered graduates can reserve up to six guest tickets through the Arena box office ticketing system. There will be no exceptions made as we have capacity limitations based on those who register to participate. It is the graduate's responsibility to reserve guest tickets through the Arena box office ticketing system, after completing the commencement registration process.

Q: What if I would like to receive more than the allotted number of guest tickets?

- A: Each registered graduate will have the opportunity to reserve six guest tickets. No exceptions will be made. If you would like additional tickets, we offer these friendly suggestions:
 - Reach out to fellow classmates who have registered to participate in the same ceremony to ask if they will use their allotted number of tickets. If not, you can make arrangements with them to receive their unused tickets. This will not be coordinated through the box office or the commencement department.
 - On the day of the ceremony, any released tickets from cancellations or guests not attending will be redistributed on a first-come, first-served basis. If
 you'd like to look into this option, unticketed guests can come and check for the released tickets, but we cannot guarantee any will be available. If the
 Arena reaches guest seating capacity, overflow provisions have been made. There will be a reserved area for guests without tickets to watch a live stream
 of the ceremony.
- Q: What if I do not need all the tickets I have requested after all?
- A: Please return tickets you will not use to the Arena box office prior to your ceremony.
- Q: When should my guests arrive?
- A: Guest doors will open two hours prior to the start of the ceremony. We ask that all ticketed guests arrive and be seated at least 30 minutes prior to the start of the ceremony.
