

# Transfer Guide between Arizona College and Grand Canyon University

## Associate in Applied Science in HealthCare Administration – Bachelor of Science in Health Care Administration

General Education requirements, excluding University Foundations and Christian Worldview, will be considered fulfilled in the event a student has completed one of the following Associate degrees:

- Associate of Arts (AA)
- Associate of Science (AS)

In the event a student has not earned one of the aforementioned Associate level degrees, all general education coursework will be required to complete GCU's Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate in Applied Science in HealthCare Administration from Arizona College. Within the tables below are preferred courses from Arizona College that are applicable towards Grand Canyon University's transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency. If the General Education GCU course has a (+) symbol, it indicates that the transferring course must be a direct course equivalency. All Program Major Transferrable Courses must be a direct course equivalency.

Arizona College – Associate in Applied Science in HealthCare Administration	Quarter Credits	Grand Canyon University – Bachelor of Science in Health Care Administration	GCU Applied Semester Credits
