

The following table is the list of Articulated Associate Degrees between Central Community College and Grand Canyon University (GCU). Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University’s General Education requirements. Students without a transfer-oriented degree (Associate of Applied Science) must fulfill the General Education requirements and have a course-by-course evaluation completed. Additional programmatic admission requirements and transfer policy information can be found within the [University Policy Handbook](#).

Central Community College	Grand Canyon University Degree
<ul style="list-style-type: none"> <li>Associate of Arts Degree</li> </ul>	<ul style="list-style-type: none"> <li>Bachelor of Arts or Science (Some programs have specific admissions requirements as outlined in the University Policy Handbook)</li> </ul>

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University’s enrollment application and the [University Policy Handbook](#).

The following table is the assessment of the courses between Central Community College and Grand Canyon University (GCU). The following will be used in evaluating official transcripts.

These courses fulfill the content requirements; however, the courses may not fulfill the credit requirements. To obtain an undergraduate degree at GCU, students are required to meet a minimum of 120 semester credits.
