

Transfer Guide between Cochise College and Grand Canyon University

Associate in Arts – Bachelor of Science in Cybersecurity

General Education requirements, excluding University Foundations and Christian Worldview, will be considered fulfilled in the event a student has completed one of the following Associate degrees:

- Associate of Arts (AA)
- Associate of Science (AS)
- Associate in Business (ABUS)
- Associate General Education Curriculum (AGEC – A, B or S)

In the event a student has not earned one of the aforementioned Associate level degrees, all general education coursework will be required to complete GCU's Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate in Arts from Cochise College. Within the tables below are preferred courses from Cochise College that are applicable towards Grand Canyon University's transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency. If the General Education GCU course has a (+) symbol, it indicates that the transferring course must be a direct course equivalency. All Program Major Transferrable Courses must be a direct course equivalency.

Cochise College – Associate in Arts (AA)	Credits	Grand Canyon University – Bachelor of Science in Cybersecurity	GCU Applied Semester Credits
General Education Requirements			
Effective Communication (9 - 12 Credits)			
ENG-101: Composition	3	+ ENG-105: English Composition	3
ENG-102: English Composition	3	Effective Communication	3
		Effective Communication	
Critical Thinking (11 – 12 Credits)			
MAT-151: Precalculus Algebra	3	+ MAT-154: Applications of College Algebra	3
Laboratory Sciences	4	Critical Thinking	4
Laboratory Sciences	4	Critical Thinking	4
Global Awareness (6 - 8 Credits)			
Social and Behavioral Sciences	3	Global Awareness	3
		# CYB-420: Global Perspectives on Cyberwarfare	
Additional Cochise College Requirements			
Social and Behavioral Sciences	3	Elective Credit	3

Transfer Guide between Cochise College and Grand Canyon University

Cochise College – Associate in Arts (AA)	Credits	Grand Canyon University – Bachelor of Science in Cybersecurity	GCU Applied Semester Credits
Humanities	3	Elective Credit	3
Arts	3	Elective Credit	3
General Education Electives	6	Elective Credit	6
Electives – As needed to reach required 60 credits	25	Select a minimum of 25 credits (to optimize transfer to GCU major, reference “Program Major” table for applicable coursework)	25
Bachelor of Science in Cybersecurity: Program Major Transferrable Courses			
CIS-120: Introduction to Information Systems	3	CST-111: Introduction to Computer Science and Information Technology	3
CIS-150: Essentials of Networking	3	ITT-116: Platforms and Network Technologies	3
CIS-263: Network Defense	4	^ ITT-307: Cybersecurity Foundations	4
CIS-275: Computer Forensics	4	^ ITT-375: Cyber Forensic Investigations	4
Credits completed at Cochise College may exceed 60 if students choose to take all courses listed above.			

Total Credit Hours Needed to Complete Associate of Arts at Cochise College	60 Credits
---	-------------------

All students must meet 36 Upper Division credit requirement, as well as 30 GCU credits to meet residency requirement. Students must meet Upper Division credit requirement even if content of an Upper Division course requirement is met with a Lower Division course.

Symbol Key	
+	Symbol indicates the Cochise College course must meet specific content requirements (or higher) in order to fulfill GCU’s course.
^	Symbol indicates the Cochise College course meets the content requirement but does not fulfill GCU’s upper division requirements.
#	Symbol indicates this course is a specified General Education course. This means the Cochise College course must meet specific content requirements in order to fulfill GCU’s course requirement. Please be advised specified General Education coursework is not treated like other general education coursework and is not automatically waived upon completion of a transfer-oriented Associates degree.
