

Appendix A: Articulated Associate Degrees

Community College of Beaver County

The following table is the list of Articulated Associate Degrees between Community College of Beaver County and Grand Canyon University (GCU). Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University's General Education requirements. Students without a transfer-oriented degree (Associate of Applied Science) must fulfill the General Education requirements and have a course-by-course evaluation completed. Additional programmatic admission requirements and transfer policy information can be found within the http://www.gcu.edu/Policy-Handbook.php.

Community College of Beaver County Degree	Grand Canyon University Degree
Associate of S	cience Degrees
Associate of Science: Education: Pre K-4	Bachelor of Science in Early Childhood Education
Associate of Science: Education Preparation- Secondary Level (Grades 7-12) Associate of Science: Upper Elementary- Middle-Level (Grades 4-8)	 Bachelor of Science in Secondary Education (Emphasis in Biology)- Ground Campus Only Bachelor of Science in Secondary Education (Emphasis in Business Education) Bachelor of Science in Secondary Education (Emphasis in Chemistry)- Ground Campus Only Bachelor of Science in Secondary Education (Emphasis in English) Bachelor of Science in Secondary Education (Emphasis in Math) Bachelor of Science in Secondary Education (Emphasis in Physical Education)- Ground Campus Only Bachelor of Science in Educational Studies
	 Bachelor of Science in Elementary Education and Special Education (Dual Major) Bachelor of Science in Elementary Education (Emphasis in English) Bachelor of Science in Elementary Education (Emphasis in Math) Bachelor of Science in Elementary Education (Emphasis in Science)
Associate of	Science Degrees
Associate of Applied Science in Nursing	Registered Nurse to Bachelor of Science in Nursing (RN to BSN)

Appendix B: Course Equivalency Guide

Community College of Beaver County

The following table is the assessment of the courses between Community College of Beaver County and Grand Canyon University (GCU). The following will be used in evaluating official transcripts.

These courses fulfill the competency requirements; however, the courses may not fulfill the credit requirements. To obtain an undergraduate degree at GCU, students are required to meet a minimum of 120 semester credit hours.

Total Credit Hours Needed to Complete Bachelor of Science in Elementary Education and Special Education (Dual Major) at Grand Canyon University	120 credits
Program Major Requirement - Grand Canyon University	61 semester credits
University Foundation, Christian Worldview and General Education – Grand Canyon University	8 semester credits
Transfer Credits Applied From Associate of Science: Upper Elementary-Middle Level (Grades 4-8)	51 semester credits

^{*}Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303. For additional graduation requirements, please see the http://www.gcu.edu/Policy-Handbook.php.

To obtain a baccalaureate degree at Grand Canyon University (GCU), a student must earn a minimum of 36 semester credits in upper division (300 or above) courses.

A minimum of 120 credits are required for completion of this program of study. If taking one course at a time, this program will take on average 48 months at GCU. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Academic Advisor for more information.
