General Education requirements, excluding University Foundations and Christian Worldview, will be considered fulfilled in the event a student has completed one of the following Associate degrees:

- Associate of Arts (AA)
- Associate of Science (AS)
- Associate in Business (ABUS)
- Associate General Education Curriculum (AGEC – A, B or S)

In the event a student has not earned one of the aforementioned Associate level degrees, all general education coursework will be required to complete GCU’s Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate of General Studies (AGEC-A) from Eastern Arizona College. Within the tables below are preferred courses from Eastern Arizona College that are applicable towards Grand Canyon University’s transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency. If the General Education GCU course has a (+) symbol, it indicates that the transferring course must be a direct course equivalency. All Program Major Transferrable Courses must be a direct course equivalency.

### Total Credit Hours Needed to Complete an Associate of General Studies (AGEC-A) – Eastern Arizona College: 64 Credits

| Credits Completed at Grand Canyon University | 56 Credits |

Credits completed at Grand Canyon University may fluctuate contingent upon coursework successfully completed at the transferring institution. Courses are not listed twice on the transfer guide, so any courses not completed at the transferring institution will still be required as part of the GCU program. Students are required to complete a minimum of 120 credits to earn the Bachelor of Science degree. If the student completes additional courses at the transferring institution, credits may not apply to their GCU program.

### Remaining open elective credits needed to earn Bachelor of Science degree at Grand Canyon University varies based on program major requirements.

### Total Credit Hours Needed to Complete Bachelor of Science in Health Science in Professional Development and Advanced Patient Care at Grand Canyon University: 120 Credits

For additional graduation requirements, please see the [https://www.gcu.edu/sites/default/files/media/Documents/Academic-Catalog/University-Policy-Handbook.pdf](https://www.gcu.edu/sites/default/files/media/Documents/Academic-Catalog/University-Policy-Handbook.pdf).

Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Counselor for more information.
