

Transfer Guide between Eastern Arizona College and Grand Canyon University

Associate of General Studies (AGEC-A) – Bachelor of Science in Nutritional Sciences

General Education requirements, excluding University Foundations and Christian Worldview, will be considered fulfilled in the event a student has completed one of the following Associate degrees:

- Associate of Arts (AA)
- Associate of Science (AS)
- Associate in Business (ABUS)
- Associate General Education Curriculum (AGEC – A, B or S)

In the event a student has not earned one of the aforementioned Associate level degrees, all general education coursework will be required to complete GCU's Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate of General Studies (AGEC-A) from Eastern Arizona College. Within the tables below are preferred courses from Eastern Arizona College that are applicable towards Grand Canyon University's transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency. If the General Education GCU course has a (+) symbol, it indicates that the transferring course must be a direct course equivalency. All Program Major Transferrable Courses must be a direct course equivalency.

Eastern Arizona College– Associate of General Studies (AGEC-A)	Credits	Grand Canyon University – Bachelor of Science in Nutritional Sciences	GCU Applied Semester Credits
General Education Requirements			
Effective Communication (9 - 12 Credits)			
ENG-101: Written Composition I	3	+ ENG-105: English Composition	3
ENG-102: Written Composition II	3	Effective Communication	3
		Effective Communication	
Critical Thinking (11 – 12 Credits)
