Transfer Credits Applied From Associate of Science in Nursing	72 semester credits
General Education – Grand Canyon University	4 semester credits
Program Major Requirement - Grand Canyon University	36 semester credits
General Elective Credits- Grand Canyon University	8 semester credits
Total Credit Hours Needed to Complete Bachelor of Science in Nursing (RN to BSN) at Grand Canyon University	120 credits

*Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303. For additional graduation requirements, please see the [University Policy Handbook](#).

To obtain a baccalaureate degree at Grand Canyon University (GCU), a student must earn a minimum of 36 semester credits in upper division (300 or above) courses.

A minimum of 120 credits are required for completion of this program of study. If taking one course at a time, this program will take on average 48 months at GCU. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Academic Advisor for more information.

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University's enrollment application and the [University Policy Handbook](#).
