HLT-494	Professional Capstone Project	4
Total Credits Completed at Grand Canyon University		60
Transfer Credits from the Associate of Applied Science in Health Information Technology – McKinley College		60 semester credits
Remaining Credits Required at Grand Canyon University		60 semester credits
Total Credit Hours Needed to Complete Bachelor of Science in Health Care Administration at Grand Canyon University		120 credits

Students interested in attending GCU may request a pre-evaluation of their transfer credits through the LOPES Specialist. The LOPES Specialist will review all previous college transcripts to determine how the credits will be applied to the potential student's desired program of study. To find out more information on how to request a pre-evaluation please visit our website at <https://www.gcu.edu/admissions/college-transfer-center/transfer-credits.php>.

* Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303.

** Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University's General Education requirements. See GCU Policy Handbook or speak to a GCU enrollment counselor for more details.

- Students may transfer a maximum of 90 semester credits, no more than 84 credits of which can be lower-division.
- Students must earn and/or transfer a minimum of 36 semester credits in upper division (300 or above) courses.
- Students must earn and/or transfer a minimum of 120 semester credits in order to earn a Bachelor degree.
- All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University's enrollment application and the [University Policy Handbook](#).
