

ADMISSIONS AND ARTICULATION
MEMORANDUM OF UNDERSTANDING

BETWEEN
GRAND CANYON UNIVERSITY
AND
THE MIDWESTERN UNIVERSITY COLLEGE OF PHARMACY - GLENDALE

This serves to record the understanding between Grand Canyon University (GCU) and the Midwestern University College of Pharmacy - Glendale (CPG). Beginning with the class matriculating in summer 2015, CPG agrees to offer interviews and reserve 5 acceptances, for qualified GCU applicants each admission year. Applicants must meet all the requirements set forth below, as well as perform acceptably in their interview with the CPG Admissions Committee, for reserved seating consideration. If, by February 1st of the annual admissions cycle, CPG has not accepted at least 5 qualified applicants from GCU, then CPG may, at its discretion, offer the remaining seats for that cycle to other applicants. The number of reserved seats for GCU students will be reviewed annually and may be adjusted depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation MOU.

GCU students applying for admission to CPG must satisfy the following minimum requirements before February 1st of the academic year for the incoming class:

- Achieve a minimum of a 3.25 cumulative and science grade point average (on a 4.00 = A scale) GPA in their undergraduate coursework;
- Have completed the minimum number of prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Have taken the Pharmacy College Admissions Test (PCAT) during the previous five years of the current admission cycle; and achieved a minimum composite score of 75 with no individual component less than 50;
- Reflect a people/service orientation through community service or extracurricular activities;
- Reflect motivation for and commitment to health care as demonstrated by previous work, volunteer work, or other life experiences;
- Possess oral and written communication skills necessary to interact with patients and colleagues;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other admissions requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the Doctor of Pharmacy Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the CPG Admissions Committee, subject to approval by the Dean.

To be considered for admission to CPG, applicants must submit a completed application and have completed the Pharmacy College Application Service (PCAT) by the stated deadline.

This agreement may be discontinued for any reason providing that written notice is given twelve (12) months prior to such discontinuation and that students who have been accepted under this agreement may/will be permitted to complete their course of study.

Grand Canyon University will obtain written authorization from the Midwestern University Office of University Relations prior to using the Midwestern University name for any purpose. Furthermore, Grand Canyon University will provide drafts of all promotional materials to Midwestern University for review and approval prior to use.

ADMISSIONS AND ARTICULATION AGREEMENT
BETWEEN
GRAND CANYON UNIVERSITY
AND
THE COLLEGE OF HEALTH SCIENCES AT MIDWESTERN UNIVERSITY-
DOWNERS GROVE CAMPUS
OCCUPATIONAL THERAPY PROGRAM

This serves to record the understanding between Grand Canyon University (GCU) and the Occupational Therapy Program (OT) in the College of Health Sciences at Midwestern University's (MWU) Downers Grove campus. Beginning with the class matriculating in fall quarter-2015, the OT Program agrees to guarantee interviews and reserve 3 acceptances, in total, for qualified GCU applicants per admission year. Applicants must apply through the Occupational Therapy Centralized Application Service (OTCAS), meet all the requirements set forth below, as well as excel in their interview with MWU's Admission Committee, for reserved seating consideration. If by February 1st of the annual admissions cycle, MWU has not accepted at least 3 applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to the OT Program must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.50 cumulative grade point average in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of the prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Oral and written communication skills necessary to interact with patients and colleagues;
- Completion of a first aid course within three years prior to enrollment;
- Motivation for and commitment to healthcare as demonstrated by previous work, volunteer work, or other life experiences;
- Demonstration of a people or service orientation through community service or extracurricular activities;
- Completion of the OT Program's interview process;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other admission requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the OT Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the OT Program Admissions Committee, subject to approval by both the Program Director and the Dean.

To be considered for admission to the OT Program, applicants:

- Must complete an on-line application to OTCAS at <http://www.otcas.org> by September 1st. The applicant should refer to the OTCAS application instructions for specific details about completing the application, required documents, and processing time.
- Must submit a minimum of two letters of recommendation directly to OTCAS. The Office of Admissions will only accept letters of recommendation received directly from OTCAS. It is preferred that one of the submitted letters is written by a an occupational therapist who has supervised or mentored the applicant or is a professional who can speak to the applicant's motivation, experiences in occupational therapy or readiness for entering the Occupational Therapy Program. The second letter can be written by either a college professor who taught the application or a prehealth advisor who knows the applicant well. The applicant should refer to OTCAS application instructions for specific guidelines and requirements for submitting letters of recommendation.

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

***Grand Canyon University will obtain written authorization from the Midwestern University Office of University Relations prior to using the Midwestern University name for any purpose. Furthermore, Grand Canyon University will provide drafts of all promotional materials to Midwestern University for review and approval prior to use.

ADMISSIONS AND ARTICULATION AGREEMENT
BETWEEN
GRAND CANYON UNIVERSITY
AND
THE COLLEGE OF HEALTH SCIENCES AT MIDWESTERN UNIVERSITY-
DOWNERS GROVE CAMPUS
CLINICAL PSYCHOLOGY PROGRAM

This serves to record the understanding between Grand Canyon University (GCU) and the Clinical Psychology (CP) Program in the College of Health Sciences at Midwestern University's (MWU) Downers Grove campus. Beginning with the class matriculating in fall 2015, the CP Program agrees to guarantee interviews and reserve 6 acceptances, in total, for qualified GCU applicants per admission year. Applicants must meet all the requirements set forth below, as well as excel in their interview with MWU's Admission Committee, for reserved seating consideration. If by February 1st of the annual admissions cycle, MWU has not accepted at least 6 applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to the CP Program must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.50 cumulative grade point average (on a 4.00 = A scale) in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Have taken the Graduate Records Exam (GRE) general tests during the previous five years of the current admission cycle (Midwestern University institution code is 1769);
- Have successfully completed two semesters of senior level writing courses;
- Achieve the standards set forth by the Admissions Committee (including documentation of academic and professional promise in the prospective student);
- Reflect a people/service orientation through community service or extracurricular activities;
- Reflect proper motivation for and commitment to health care as demonstrated by previous work, volunteer work, or other life experiences;
- Possess the oral and written communication skills necessary to interact with patients and colleagues;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other admissions requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional

requirements for international students that have been accepted into the CP Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the CP Admissions Committee, subject to approval by both the Program Director and the Dean.

To be considered for admission to the CP Program, applicants must submit the following items to the Office of Admissions:

- A properly completed Clinical Psychology Application for Admission form. Forms and instructions can be downloaded at www.midwestern.edu (click on the IL Clinical Psychology program section) or by writing or calling the Office of Admissions at Midwestern University, 555 31st, Downers Grove, IL, 60515, 630/515-6171 or 800/458-6253; e-mail admissil@midwestern.edu.
- Official GRE general test score directly to Midwestern University Office of Admissions at Midwestern University, 555 31st Street, Downers Grove, IL 60515, 630/515-6171 or 800/458-6253; e-mail admissil@midwestern.edu. Only test scores earned during the previous five years and sent directly from the Educational Testing Service will be accepted.
- Three properly signed and sealed letters of recommendation from professionals who know the applicant well. The Office of Admissions will accept letters from prehealth advisors or committees, science professors, and health professionals.
- Official transcripts from every undergraduate, graduate, or professional school attended. Each transcript MUST be signed and sealed by the registrar of each institution.

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

6*

***Grand Canyon University will obtain written authorization from the Midwestern University Office of University Relations prior to using the Midwestern University name for any purpose. **ADMISSIONS AND ARTICULATION AGREEMENT
BETWEEN
GRAND CANYON UNIVERSITY
AND
THE COLLEGE OF HEALTH SCIENCES AT MIDWESTERN UNIVERSITY-
GLENDALE CAMPUS
PHYSICIAN ASSISTANT PROGRAM**

This serves to record the understanding between Grand Canyon University (GCU) and the Physician Assistant (PA) in the College of Health Sciences at Midwestern University's (MWU) Glendale campus. Beginning with the class matriculating in summer quarter 2015, the PA Program agrees to guarantee and interview and reserve one acceptance, in total, for a qualified GCU applicant per admission year. The applicant must meet all the requirements set forth below for reserved seating consideration. If by January 1st of the annual admissions cycle, MWU has not accepted at least one applicant from GCU, then MWU may, in its discretion, offer the remaining seat for that cycle to other applicants. The reserved seat for GCU student will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to the PA Program must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.70 cumulative grade point average (GPA) and a minimum of 3.70 science GPA (on a 4.00 = A scale) in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by the first day of first quarter of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of the prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Have taken the Graduate Record Examination (GRE) general test no more than five years prior to the planned enrollment year (Midwestern University institution code is 4160) and achieve an average score of the three sections at or above the 65th percentile;
- Receive an interview score at or above 16 on a 20 point scale from each of the two PA admissions interviewers;
- Oral and written communication skills necessary to interact with patients and colleagues;
- Motivation for and commitment to healthcare as demonstrated by previous work, volunteer work, or other life experiences;
- Demonstrate of service and leadership through community service or extracurricular activities;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass MWU criminal background check;
- Completion of all required immunizations prior to matriculation; and
- Meet all other admission requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the PA Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the PA Program Admissions Committee, subject to approval by both the Program Director and the Dean.

To be considered for admission to the PA Program, applicants:

- Must complete an on-line application to Centralized Application Service for Physician Assistants (CASPA) at <http://www.caspaonline.org> by October 1th. Refer to the CASPA application instructions for specific details about completing the application, the required documents and processing time.
- Must submit the official GRE general test score directly to Midwestern University Office of Admissions at Midwestern University, 19555 N. 59th Avenue, Glendale, AZ, 85308, 623/572-3215 or 888/247-9277; e-mail admissas@midwestern.edu by December 1st. MWU institutional code for submitting scores is 4160. Only test scores earned during the previous five years and sent directly from the Educational Testing Service will be accepted.
- Must submit a minimum of two letters of recommendation directly to CASPA. It is preferred that one letter is written by a science professor who has taught the student or a prehealth advisory committee. The second letter can be written by prehealth advisory committee, prehealth advisor, college professor, or health care professional (preferably a PA) who knows applicant well. Applicants should refer to the CASPA application instructions for specific guidelines and requirements for submitting letters of recommendation.

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

In agreement with all that has been outlined, on this date, 7-16-14, both parties affix their signatures herewith:

THE COLLEGE OF HEALTH SCIENCES AT MIDWESTERN UNIVERSITY-
GLENDALE CAMPUS
ARIZONA SCHOOL OF PODIATRIC MEDICINE**

This serves to record the understanding between Grand Canyon University (GCU) and the Arizona School of Podiatric Medicine (AzPOD) in the College of Health Sciences at Midwestern University's (MWU) Glendale campus. Beginning with the class matriculating in fall 2015, AzPOD agrees to guarantee interviews and reserve 6 acceptances, in total, for qualified GCU applicants per admission year. Applicants must meet all the requirements set forth below, as well as excel in their interview with MWU's Admission Committee, for reserved seating consideration. If by January 1st of the annual admissions cycle, MWU has not accepted at least 6 applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to AzPOD must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.65 cumulative grade point average (on a 4.00 = A scale) in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of the prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Have the ability to successfully complete a rigorous curriculum that requires critical thinking skills, effective oral and written communication skills, and voluminous reading, as well as the capacity for responsible, self-directed learning;
- Competitive scores on the Medical College Admissions Test (MCAT);
- A good understanding of podiatric medicine and a sincere interest in a career in the field; candidates must have visited at least one podiatric practice;
- Medically-related experiences that indicate sufficient exposure for candidates to make informed decisions about medical careers;
- Personal integrity and sound moral character;
- Reflect a people/service orientation through community service or extracurricular activities;
- Reflect proper motivation for and commitment to health care as demonstrated by previous work, volunteer work, or other life experiences;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. DOWNERS GROVE CAMPUS
BIOMEDICAL SCIENCES PROGRAM**

This serves to record the understanding between Grand Canyon University (GCU) and the Biomedical Sciences Program in the College of Health Sciences at Midwestern University's (MWU) Downers Grove campus. The BMS Program includes the two year Master of Biomedical Sciences (MBS) degree program and the one year Master of Arts in Biomedical Sciences (MA) degree program. Beginning with the class matriculating in fall 2015, the BMS Program agrees to reserve 6 acceptances, in total, for qualified GCU BMS applicants per admission year. Applicants must meet all the requirements set forth below for reserved seating consideration. If by May 1st of the annual admissions cycle, MWU has not accepted at least 6 applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to the BMS Programs must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.25 cumulative grade point average (on a 4.00 = A scale) in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of prerequisite courses (as stated in the Midwestern University Catalog) for admission into the professional program of interest (medical, dental, pharmacy optometry, veterinarian, etc.) at a regionally accredited college or university with a grade of C or better before the program begins;
- Achieve the standards set forth by the MWU Admissions Committee (including documentation of academic and professional promise in the prospective student);
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other admissions requirements set forth by MWU

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the BMS Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the BMS Admissions Committee, subject to approval by both the Program Director and the Dean.

To be considered for admission to the BMS Program, applicants must submit the following items to the Office of Admissions:

- A properly completed Biomedical Science Application for Admission form, Forms and instructions can be downloaded at www.midwestern.edu (click on the IL Biomedical Sciences program section) or by writing or calling the Office of Admissions at Midwestern University, 555 31st Street, Downers Grove, IL 60515, 630/515-6171 or 800/458-6253; e-mail admissil@midwestern.edu.
- A nonrefundable, non-waivable application fee of \$50.
- Two properly signed and sealed letters of recommendation from professionals who know the applicant well. The Office of Admissions will accept letters from prehealth advisors or committees, science professors, and health professionals.
- Official transcripts from every undergraduate, graduate, or professional school attended. Each transcript MUST be signed and sealed by the registrar of each institution.
- Scores from the Medical College Admissions Test (MCAT), Pharmacy College Admission Test (PCAT), Graduate Record Examination (GRE), Dental Admissions Test (DAT), Optometry Admissions Test (OAT) or other professional program admissions test. All test scores must be less than five years old.

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

ADMISSIONS AND ARTICULATION AGREEMENT
BETWEEN
GRAND CANYON UNIVERSITY
AND
THE COLLEGE OF VETERINARY MEDICINE AT MIDWESTERN UNIVERSITY-
GLENDALE CAMPUS

This serves to record the understanding between Grand Canyon University (GCU) and the Midwestern University College of Veterinary Medicine (MWU CVM). Beginning with the class matriculating in fall 2015, MWU CVM agrees to guarantee interviews and reserve 2 acceptances, in total, for qualified GCU applicants per admission year. Applicants must meet all the requirements set forth below, as well as excel in their interview with MWU's Admission Committee, for reserved seating consideration. If by February 1st of the annual admissions cycle, MWU has not accepted at least 2 applicants from GCU, then MWU may, at its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to MWU CVM must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.3 cumulative grade point average (on a 4.00 = A scale) in their undergraduate coursework, and similarly, a 3.3 on the science courses taken as prerequisites or in the student's major;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the MWU CVM academic year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Competitive scores on the GRE exam;
- Complete an interview with a panel representing the MWU CVM Admissions Committee, before February 1 of the admissions year, during which the applicants present themselves as professionals oriented to a career in veterinary medicine, as good communicators, and as individuals who have observed and experienced at least some of the facets of the profession and learned from those experiences.
- Have completed the minimum number of the prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the MWU CVM interview, and submitted to the MWU Office of Admissions supplemental transcripts to demonstrate this if not already contained within the VMCAS application packet;
- Have the ability to successfully complete a rigorous curriculum that requires critical thinking skills, effective oral and written communication skills, and voluminous reading, as well as the capacity for responsible, self-directed learning;
- A good understanding of veterinary medicine and a sincere interest in a career in the field; candidates must have shadowed, volunteered with, or worked for a veterinarian or in an animal care facility for at least 500 hours;
- Veterinary-related experiences over a spectrum of at least two different clinics, practices, or animal care facilities that indicate sufficient exposure for candidates to make informed decisions about veterinary careers;
- Personal integrity and responsible behavior;
- Reflect a people/service orientation through community service or extracurricular activities;

- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the MWU CVM Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the MWU CVM Admissions Committee, subject to approval by the Dean.

To be considered for admission to the MWU CVM, applicants:

- Must complete an on-line application at the American Association of Veterinary Medical Colleges (AAVMC) Veterinary Medical College Application Service (VMCAS) website at: <https://www.aavmc.org/vmcas/vmcas.htm>
- Must submit the official GRE score report to the Office of Admissions at Midwestern University, 19555 N. 59th Avenue, Glendale, AZ, 85308, 623/572-3215 or 888/247-9277; e-mail admissaz@midwestern.edu

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

PHYSICAL THERAPY PROGRAM**

This serves to record the understanding between Grand Canyon University (GCU) and the Physical Therapy Program (PT) in the College of Health Sciences at Midwestern University's (MWU) Glendale campus. Beginning with the class matriculating in summer quarter-2015, the PT Program agrees to guarantee interviews and reserve 4 acceptances, in total, for qualified GCU applicants per admission year. Applicants must meet all the requirements set forth below, as well as excel in their interview with MWU's Admission Committee, for reserved seating consideration. If by February 1st of the annual admissions cycle, MWU has not accepted at least 4 applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to the PT Program must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.45 cumulative grade point average and a minimum of 2.9 science PA (on a 4.00 = A scale) in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of the prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Have taken the Graduate Record Examination (GRE) general test no more than five years prior to the planned enrollment year (Midwestern University institution code is 7600);
- Hold current certification by the American Heart Association in Basic Life Support (BLS) for Health Care providers;
- Oral and written communication skills necessary to interact with patients and colleagues;
- Completion of a minimum of 60 hours of observation in a physical therapy department; ten hours must be in acute care and the remaining 50 hours must be distributed in at least two other practice environments that may include home health, outpatient/orthopedic and sports, rehabilitation, skilled nursing or pediatrics;
- Motivation for and commitment to healthcare as demonstrated by previous work, volunteer work, or other life experiences;
- Demonstrate a people or service orientation through community service or extracurricular activities;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and

- Meet all other admission requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the PT Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the PT Program Admissions Committee, subject to approval by both the Program Director and the Dean.

To be considered for admission to the PT Program, applicants:

- Must complete an on-line application to PTCAS at <http://www.ptcas.org> by December 15th. The PTCAS application includes instructions for specific details about completing the application, required documents, and processing time.
- Must submit the official GRE general test score directly to Midwestern University Office of Admissions at Midwestern University, 19555 N. 59th Avenue, Glendale, AZ, 85308, 623/572-3215 or 888/247-9277; e-mail admissaz@midwestern.edu. Only test scores earned during the previous five years and sent directly from the Educational Testing Service will be accepted.
- Must submit a minimum of three letters of recommendation directly to PTCAS. It is preferred that one letter is written by a licensed physical therapist. The other two letters can be written by prehealth advisory committee, prehealth advisor, or a college professor who knows the applicant well. Applicants should refer to the PTCAS application instructions for specific guidelines and requirements for submitting letters of recommendation.

If, by February 1st of the annual admissions cycle, MWU has less than 4 qualified applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

BETWEEN
GRAND CANYON UNIVERSITY
AND
THE COLLEGE OF HEALTH SCIENCES AT MIDWESTERN UNIVERSITY-
DOWNERS GROVE CAMPUS
PHYSICAL THERAPY PROGRAM**

This serves to record the understanding between Grand Canyon University (GCU) and the Physical Therapy Program (PT) in the College of Health Sciences at Midwestern University's (MWU) Downers Grove campus. Beginning with the class matriculating in summer quarter-2015, the PT Program agrees to guarantee interviews and reserve 2 acceptances, in total, for qualified GCU applicants per admission year. Applicants must meet all the requirements set forth below, as well as excel in their interview with MWU's Admission Committee, for reserved seating consideration. If by January 1st of the annual admissions cycle, MWU has not accepted at least 2 applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to the PT Program must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.45 cumulative grade point average and a minimum of 3.0 science GPA (on a 4.00 = A scale) in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of the prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Have taken the Graduate Record Examination (GRE) general test no more than five years prior to the planned enrollment year (Midwestern University institution code is 1769);
- Hold current certification by the American Heart Association in Basic Life Support (BLS) for Health Care providers and have completed a First Aid course within the past three years;
- Oral and written communication skills necessary to interact with patients and colleagues;
- Completion of a minimum of 60 hours of observation in a physical therapy department; ten hours must be in acute care and the remaining 50 hours must be distributed in at least two other practice environments that may include home health, outpatient/orthopedic and sports, rehabilitation, skilled nursing or pediatrics;
- Motivation for and commitment to healthcare as demonstrated by previous work, volunteer work, or other life experiences;
- Demonstrate a people or service orientation through community service or extracurricular activities;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;

- Pass a criminal background check; and
- Meet all other admission requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the PT Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the PT Program Admissions Committee, subject to approval by both the Program Director and the Dean.

To be considered for admission to the PT Program, applicants:

- Must complete an on-line application to PTCAS at <http://www.ptcas.org> by September 1. The PTCAS application includes instructions for specific details about completing the application, required documents, and processing time.
- Must submit the official GRE general test score directly to Midwestern University Office of Admissions at Midwestern University, 555 31st Street, Downers Grove, IL 60515, 630/515-6171 or 800/458-6253; e-mail admissil@midwestern.edu. Only test scores earned during the previous five years and sent directly from the Educational Testing Service will be accepted.
- Must submit a minimum of three letters of recommendation directly to PTCAS. It is preferred that one letter is written by a licensed physical therapist. The other two letters can be written by prehealth advisory committee, prehealth advisor, or a college professor who knows the applicant well. Applicants should refer to the PTCAS application instructions for specific guidelines and requirements for submitting letters of recommendation.

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

ADMISSIONS AND ARTICULATION AGREEMENT
BETWEEN
GRAND CANYON UNIVERSITY
AND
MIDWESTERN UNIVERSITY
ARIZONA COLLEGE OF OSTEOPATHIC MEDICINE

This serves to record the understanding between Grand Canyon University (GCU) and the Arizona College of Osteopathic Medicine (AZCOM) at Midwestern University's (MWU) Glendale campus. Beginning with the class matriculating in fall 2015, AZCOM agrees to guarantee interviews and reserve 10 acceptances, in total, for qualified GCU applicants per admission year. Applicants must meet all the requirements set forth below for reserved seating consideration. If by March 1st of the annual admissions cycle MWU has not accepted at least 10 applicants from GCU, then MWU may, at its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under this articulation agreement.

GCU students applying for admission to AZCOM must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.50 cumulative grade point average (on a 4.00 = A scale) in their undergraduate coursework (with a 3.60 cumulative grade point average in sciences);
- Have received, or be on track to complete and provide proof of completion by matriculation at MWU, a baccalaureate degree from GCU;
- Have completed the minimum number of the prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Have the ability to successfully fulfill all technical standards for AZCOM;
- Receive a score of 30 or higher on the Medical College Admissions Test (MCAT) within the three years prior to anticipated matriculation at MWU;
- Receive a score of "High" from each of the MWU Admissions Committee members on the day of admissions interview;
- Demonstrate a good understanding of osteopathic medicine and a sincere interest in a career in the field, including shadowing at least one physician prior to admission;
- Medically-related experiences that indicate sufficient exposure for candidates to make informed decisions about medical careers;
- Personal integrity and sound moral character;
- Reflect a people/service orientation through community service or extracurricular activities;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other requirements set forth by MWU, including requirements documented in the catalog, student handbook, and this agreement.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into AZCOM are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the AZCOM Admissions Committee, subject to approval by the Dean.

To be considered for admission to AZCOM, applicants:

- Must complete an on-line application at the American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS) website at <https://aacomas.aacom.org/>

The American Association of Colleges of Osteopathic Medicine Application Service
5550 Friendship Boulevard, Suite 310
Chevy Chase, MD 20815-7231
301.968.4100

- Must submit the official MCAT score report to the Office of Admissions at Midwestern University, 19555 N. 59th Avenue, Glendale, AZ, 85308, 623/572-3215 or 888/247-9277; e-mail admissas@midwestern.edu

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.

BETWEEN
GRAND CANYON UNIVERSITY
AND
THE COLLEGE OF HEALTH SCIENCES AT MIDWESTERN UNIVERSITY-
GLENDALE CAMPUS
CARDIOVASCULAR SCIENCE PROGRAM**

This serves to record the understanding between Grand Canyon University (GCU) and the Cardiovascular Science (CVS) Program in the College of Health Sciences at Midwestern University's (MWU) Glendale campus. Beginning with the class matriculating in fall 2015, the CVS Program agrees to guarantee interviews and reserve 6 acceptances, in total, for qualified GCU BS applicants per admission year. Applicants must meet all the requirements set forth below, as well as excel in their interview with MWU's Admission Committee, for reserved seating consideration. If by February 1st of the annual admissions cycle, MWU has not accepted at least 6 applicants from GCU, then MWU may, in its discretion, offer the remaining seats for that cycle to other applicants. The reserved seats for GCU students will be reviewed annually with a potential adjustment to the number of seats depending on the total applicant pool from GCU and the educational progress of students admitted under the articulation agreement.

GCU students applying for admission to the CVS Program must satisfy the following minimum requirements before the academic year commences for the incoming class:

- Achieve a minimum of a 3.33 cumulative grade point average (on a 4.00 = A scale) and 3.21 average science GPA in their undergraduate coursework;
- Have received (or be on track to complete and provide proof of completion by [first day of first quarter] of the calendar year when matriculation would occur if accepted) a baccalaureate degree from GCU;
- Have completed the minimum number of prerequisite courses (as stated in the Midwestern University Catalog) in the prescribed subject areas at a regionally accredited college or university with a grade of C or better before the program begins;
- Achieve the standards set forth by the Admissions Committee (including documentation of academic and professional promise in the prospective student);
- Reflect a people/service orientation through community service or extracurricular activities;
- Reflect proper motivation for and commitment to health care as demonstrated by previous work, volunteer work, or other life experiences;
- Possess the oral and written communication skills necessary to interact with patients and colleagues;
- Abide by the Midwestern University Drug-Free Workplace and Substance Abuse Policy;
- Pass a criminal background check; and
- Meet all other requirements set forth by MWU.

INTERNATIONAL STUDENTS: Must complete a minimum of 30 semester hours of coursework in the United States. Of the 30 semester hours, 15 hours must be in the sciences, 6 hours must be in non-remedial English composition, and 3 hours in Speech/Communication. Additional requirements for international students that have been accepted into the CVS Program are included in the matriculation agreement.

The final decision on acceptance for applicants shall be up to the discretion of the CVS Admissions Committee, subject to approval by both the Program Director and the Dean.

To be considered for admission to the CVS Program, applicants must submit the following items to the Office of Admissions:

- A properly completed Cardiovascular Science Application for Admission form. Forms and instructions can be downloaded at www.midwestern.edu (click on the AZ Cardiovascular program section) or by writing or calling the Office of Admissions at Midwestern University, 19555 N. 59th Avenue, Glendale, AZ, 85308, 623/572-3215 or 888/247-9277; e-mail admissas@midwestern.edu.
- A nonrefundable, non-waivable application fee of \$50.
- Two properly signed and sealed letters of recommendation from professionals who know the applicant well. The Office of Admissions will accept letters from prehealth advisors or committees, science professors, and health professionals.
- Official transcripts from every undergraduate, graduate, or professional school attended. Each transcript MUST be signed and sealed by the registrar of each institution.

Although we anticipate a long and mutually satisfying relationship between our two educational institutions, this agreement may be discontinued for any reason providing that written notice is given 12 months prior to such discontinuation and that those students who have been accepted under this agreement be permitted to complete their course of study.
