

Transfer Guide between Pima Community College and Grand Canyon University

Associate in Arts – Bachelor of Science in Nutritional Science

General Education requirements, excluding University Foundations and Christian Worldview, will be considered fulfilled in the event a student has completed one of the following Associate degrees:

- Associate of Arts (AA)
- Associate of Science (AS)
- Associate in Business (ABUS)
- Associate General Education Curriculum (AGEC – A, B or S)

In the event a student has not earned one of the aforementioned Associate level degrees, all general education coursework will be required to complete GCU's Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate in Arts from Pima Community Colleges. Within the tables below are preferred courses from Pima Community Colleges that are applicable towards Grand Canyon University's transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency. If the General Education GCU course has a (+) symbol, it indicates that the transferring course must be a direct course equivalency. All Program Major Transferrable Courses must be a direct course equivalency.

Pima Community Colleges – Associate in Arts (AA)	Credits	Grand Canyon University – Bachelor of Science in Nutritional Science	GCU Applied Semester Credits
General Education Requirements			
Effective Communication (9 - 12 Credits)			
WRT-101: English Composition I OR WRT-107: English Composition I for Non-Native Speakers of English	3	+ ENG-105: English Composition	3
WRT-102: English Composition II OR WRT-108: English Composition II for Non-Native Speakers of English	3	Effective Communication	3
Second Language – Completion of a Language course numbered 202, fourth semester level	3	Effective Communication	3
Critical Thinking (11 – 12 Credits)

Biological and Physical Sciences	8	Critical Thinking	8
Global Awareness (6 - 8 Credits)			
Social and Behavioral Sciences – PSY-101: Introduction to Psychology	3	# PSY-102: General Psychology	3
Social and Behavioral Sciences	3	Global Awareness	3
Additional Pima Community College Requirements			
Humanities and Fine Arts	6	Elective Credit	6

Transfer Guide between Pima Community College and Grand Canyon University

Pima Community Colleges – Associate in Arts (AA)	Credits	Grand Canyon University – Bachelor of Science in Nutritional Science	GCU Applied Semester Credits
STU-100: College Success and Career Planning OR STU-107: University Transfer Preparation	1	Elective Credit	1
STU-210: University Transfer Strategies	2	Elective Credit	2
Second Language – Completion of a Language course numbered 202, fourth semester level	13	Elective Credit	13
Transfer Elective – Select 12 Credits of Transferrable Electives so the total for this Degree are 60 - 64	12	Select a minimum of 12 credits (to optimize transfer to GCU major, reference “Program Major” table for applicable coursework)	12
Bachelor of Science in Nutritional Science: Program Major Transferrable Courses			
BIO-201IN: Human Anatomy and Physiology I	4	BIO-191: Applied Anatomy and Physiology I AND BIO-191L: Applied Anatomy and Physiology I Lab	4
BIO-202IN: Human Anatomy and Physiology II	4	BIO-192: Applied Anatomy and Physiology II AND BIO-192L: Applied Anatomy and Physiology II Lab	4
BIO-205IN: Microbiology	4	BIO-195: Fundamental Microbiology AND BIO-195L: Fundamental Microbiology Lab	4
MAT-167: Introductory Statistics	3	MAT-274: Probability and Statistics	3
BIO-127IN: Human Nutrition and Biology	4	^ BIO-319: Applied Nutrition	4
PSY-218: Health Psychology	3	^ PSY-352: Health Psychology	3
PSY-240: Developmental Psychology	3	^ PSY-357: Lifespan Development	3

Credits completed at Pima Community College may exceed 60 if students choose to take all courses listed above.

Total Credit Hours Needed to Complete Associate of Arts at Pima Community College

60 Credits

All students must meet 36 Upper Division credit requirement, as well as 30 GCU credits to meet residency requirement. Students must meet Upper Division credit requirement even if content of an Upper Division course requirement is met with a Lower Division course.

Symbol Key

+	Symbol indicates the Pima Community College course must meet specific content requirements (or higher) in order to fulfill GCU’s course.
^	Symbol indicates the Pima Community College course meets the content requirement but does not fulfill GCU’s upper division requirements.
#	Symbol indicates this course is a specified General Education course. This means the Pima Community College course must meet specific content requirements in order to fulfill GCU’s course requirement. Please be advised specified General Education coursework is not treated like other general education coursework and is not automatically waived upon completion of a transfer-oriented Associates degree.

NSC-495	Capstone in Nutrition	4
Total Credit Hours Needed to Complete an Associate in Arts – Pima Community College		60 Credits
Credits Completed at Grand Canyon University		47 - 60 Credits
Credits completed at Grand Canyon University may fluctuate contingent upon coursework successfully completed at the transferring institution. Courses are not listed twice on the transfer guide, so any courses not completed at the transferring institution will still be required as part of the GCU program. Students are required to complete a minimum of 120 credits to earn the Bachelor of Science degree. If the student completes additional courses at the transferring institution, credits may not apply to their GCU program.		
Remaining open elective credits needed to earn Bachelor of Science degree at Grand Canyon University varies based on program major requirements.		
Total Credit Hours Needed to Complete Bachelor of Science in Nutritional Science at Grand Canyon University		120 Credits

For additional graduation requirements, please see the <https://www.gcu.edu/sites/default/files/media/Documents/Academic-Catalog/University-Policy-Handbook.pdf>. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Counselor for more information. <https://www.gcu.edu/sites/default/files/media/Documents/Academic-Catalog/University-Policy-Handbook.pdf>
