

# Transfer Guide between Pima Community College and Grand Canyon University

## Associate of Applied Science in Emergency Medical Technology — Paramedic – Bachelor of Science in Applied Management

General Education requirements, excluding University Foundations and Christian Worldview, will be considered fulfilled in the event a student has completed one of the following Associate degrees:

- Associate of Arts (AA)
- Associate of Science (AS)

In the event a student has not earned one of the aforementioned Associate level degrees, all general education coursework will be required to complete GCU's Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate of Applied Science in Emergency Medical Technology — Paramedic from Pima Community College. Within the tables below are preferred courses from Pima Community College that are applicable towards Grand Canyon University's transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency. If the General Education GCU course has a (+) symbol, it indicates that the transferring course must be a direct course equivalency. All Program Major Transferrable Courses must be a direct course equivalency.

Pima Community College – Associate of Applied Science in Emergency Medical Technology — Paramedic	Credits	Grand Canyon University – Bachelor of Science in Applied Management	GCU Applied Semester Credits
