

# Transfer Guide between Oklahoma State University-Oklahoma City and Grand Canyon University

## Associate of Science in Addictions Counseling – Bachelor of Science in Counseling with an Emphasis in Addiction, Chemical Dependency, and Substance Abuse

General Education requirements, excluding University Foundations and Christian Worldview, will be considered fulfilled in the event a student has completed one of the following Associate degrees:

- Associate of Arts (AA)
- Associate of Science (AS)

In the event a student has not earned one of the aforementioned Associate level degrees, all general education coursework will be required to complete GCU's Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate of Science in Addictions Counseling from Oklahoma State University-Oklahoma City. Within the tables below are preferred courses from Oklahoma State University-Oklahoma City that are applicable towards Grand Canyon University's transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency. If the General Education GCU course has a (+) symbol, it indicates that the transferring course must be a direct course equivalency. All Program Major Transferrable Courses must be a direct course equivalency.
